DOLAN HOSPITALITY TO DISTRIBUTE RECESSO LIGHTING HOSPITALITY MARKETS

PORTLAND, Ore. (Feb. 28, 2013) –Dolan Hospitality®, a Seattle-based manufacturer of lighting innovation for the hospitality industry, announces today that the company will begin distribution of Recesso Lighting™, the award-winning decorative recessed lighting solution. Recesso products will be exclusively manufactured by Dolan Designs®, a sister company to Dolan Hospitality, under the name ***Recesso Lighting by Dolan Designs***.

Dolan plans to offer an expanded collection of Recesso’s popular designs of recessed light shades designed specifically to meet the needs of the hospitality and healthcare industries. Recesso’s first products included the Converter Kit™ (shown at right) and Recesso’s patented recessed lighting fixtures (locking ring and twist on shade shown at left) all designed to transform any recessed light into a new decorative fixture. A host of new shade and fixture options, including semi-flush and pendant style, are under development and will be introduced at HD Expo in May 2013.

“Dolan Hospitality understands the potential of this product in the commercial world where remodeling and regularly updating of lighting is necessary,” said Cheryl Engstrom, Recesso inventor and company founder. “We are thrilled to tap into the proven expertise of Dolan Hospitality to add new life to our ideas and significantly spur on sales of Recesso Lighting.”

“This product is perfect for the hospitality and healthcare industries where remodeling is cyclical,” says Ron Leddusire, national sales manager for Dolan Hospitality. “With the ease of installation and simple twist on system, remodeling and updating a hotel lobby, guest room or common space can be done by in-house maintenance staff with no electrician. This can save a property thousands of dollars in labor alone.”
